

## TW421

European Region

### VERSATILE

- Unique two-way design – area light and spot light

### DURABLE

- Rugged, impact resistant housing

### HANDY

- Comes with lanyard

The TW421 features a unique two-way design – slide the case in and it is a flashlight; slide the case out and it becomes an area light. Made with a durable casing, the light resists damage from dropping and rough handling. In addition, the attached lanyard helps keep the light right at hand.

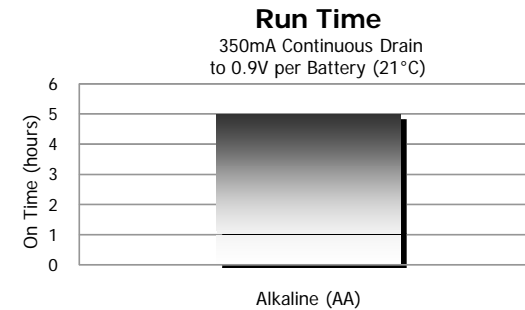

**Before Using Your Flashlight:**  
Please read all instructions and cautionary markings on the package and light
